Mare Information:

Mare's Name: _____ Date of Birth: _____
Breed & Registration number: _____ Sire: _____
Dam: _____ Sire of Dam: _____
Mare's Color & Marking: _____
Last Date Foaled (or if currently in-foal): _____

1. This mare is booked by name and the booking is valid to this mare only. Neither booking nor the return privilege can be transferred without written permission from the stallion owner.
2. The Mare's health condition is the responsibility of the Purchaser. The Purchaser will insure that the mare is in sound breeding condition. We recommend that purchaser's vet will examine and assess your mare's breeding soundness, and your mare should have a negative uterine culture prior to breeding. We expect you to follow your veterinarian's recommendation.
3. We recommend that the purchaser/mare owner's vaccinate the mare for Rhinopneumonitis (Equine Herpes Type 1) at 5,7, and 9 months of pregnancy, the purchaser shall also insure that the mare is kept in proper condition, and be kept up to date on all worming and all other vaccinations.

4. The full stud fee of \$ 1200 plus HST where applicable must be received before any semen will be shipped. Please make the payments cheque , cash, e-transfer or certified cheque.

5. Semen can be picked up at where the stallion is collected, or can be shipped via Federal Express or other courier (depending on location). Shipping charges are the responsibility of the mare owner.

6. Semen is planned to be collected 7days a week as needed May 1 -September 1 2023. If the Purchaser requires semen before or after our normal season we likely can accommodate but may need more notice. **We are going to do our best to make him available throughout the season but it is possible he may not be available due to staffing, show, injury etc. Please let us know when you are expecting your mare to cycle so we can plan accordingly.**

7. The Purchaser must contact Jackie VandenBrink the stallion owner, prior to 9:00 AM EST on the day of the requested semen shipment. For semen shipments placed after 9:00 AM EST, we will try to fulfill them, but we cannot guarantee them, and they may be subject to a rush order fee. You must let us know in advance when you are expecting your mare to cycle so we have a rough idea of when to expect your semen order.

8. VandenBrink Warmbloods agrees to provide fresh cooled semen in viable condition from the above named stallion at the time of delivery, to the Purchaser at the approved address, Purchaser's veterinarian or veterinary clinic. Stallion owner or manager is not responsible for any semen shipments that are lost, delayed or damaged during transport. This semen must be administered by a licensed veterinarian or by a breeding technician approved by the stallion owner on the day of delivery, or the LFG and the contractual obligations may not apply.

9. The semen shipment is to be used only on the mare named in this contract.

10. The Purchaser assumes all responsibility for the condition of the mare and shall bear all risk of loss or damage to the mare whatever by death, disease, injury, infection or otherwise, and by any cause whatever, including inappropriate, untimely, or negligent insemination or failure of insemination and therefore releases, discharges, indemnifies and hold harmless VandenBrink Warmbloods and its owners, it's employees and agents from any and all damages associated therewith.

11. The Purchaser agrees that no embryo transplants from the above named mare using semen from His Querido are to be done without the prior written permission of Jackie VandenBrink.

12. If the mare fails to conceive during the 2023 season the Purchaser is entitled to a return breeding the following two (2) years. Please inform Jackie VandenBrink by no later than October 31, 2023 as to whether or not your mare is in foal or not. A vet certificate is required. This report must be sent to VandenBrink Warmbloods, so that the Live Foal

Guarantee and return breeding will be honoured. It will be the Purchaser's responsibility to pay the new seasons collection, transportation and deposit fees.

13. Live Foal Guarantee: If the mare, after being checked in foal, aborts or does not produce a live foal that can stand and nurse on it's own, and survive 10 days after birth, the Purchaser is entitled to a return breeding in the following two years (2024, 2025). It will be the Purchaser's responsibility to pay the collection, transportation and deposit fees. A veterinary certificate is required within five (5) days from the date of death and/or examine. Otherwise the LFG is Null and Void.
